FILE REVIEWED TO DETERMINE IF FURTHER CHECKS OF FOSS/CAIPS DATA BASE WARRANTED:

Based on the information presently available, further checks are not warranted at this time.

FILE REVIEWED TO IDENTIFY INTENDING OCCUPATION(S).

The applicant has identified the occupation as named in PF7 and no others

CONCERNS:

- 1) With benefit of the doubt screen subj as intended occup, subj claimed she works as advertisement specialist fm Mar2001 to present, less than one yr experience, but will convoke for an interview as subj will hv one yr or more experience when interview. Also to assess experience as to find out if subj s job duties does indeed qualify her to be assessed as intended occup
- 2) Bachelor degree in English language and literature.
Master degree in arts
- 3) subj has folte result on file.
- 4) Subj claimed she works as customer service officer in Singapore and secretary in Beijing.

I have reviewed the documents on file, including the application form, academic credentials, employment reference letters, and the additional documents, and it appears that PI meets the employment requirements and has relevant working experience for the intended occupation as indicated in the application. Benefit of doubt given that PI has acquired additional work experience since submission of application. Independent English test IELTS results indicate skills at overall fluent level. Interview waived subject to satisfactory receipt of updated reference letters.

LTM: Please issue meds and request:

- updated reference letters
